110% HONEST

Former pro cyclist Kim Karlsen (39) holds a press conference admitting the use of performance-enhancing drugs in her career. This dark comedy takes us behind the scenes of a doping scandal as it starts rolling and observes how Kim tackles her fall from grace. Rather than accepting the consequences of her actions, our antiheroine sticks to her guns and refuses to alter her mindset. The film chronicles the ups and downs of Kim's annus horribilis.
