

MDR the new Electrical power issue?

Peter Löwendahl 2022-03-29

Hoff & Lowendahl

RAQAexpert
Predictable and sustainable market access

People

- Busy times for all QA&RA professionals
- Most persons prepared to change job if the right opportunity comes
- Be able to work from home important

Notified Body

- Majority have a Notified Body
- High cost
- Long lead time
- Long lead time for changes
- Cost for technical documentation review very high

3

The view on Regulatory

- Business enabler?
- Business partner?
- The police?

4

MDR effects

- Some small companies have to shut down
- No direct effect on number of products
- Price increases mainly due to other factors
- But the effects still to be seen....
